PROCEDURAL ORDER

BY THE COMMISSION:

In Decision No. 68826 (June 29, 2006), the Arizona Corporation Commission (“Commission”) authorized Northern Sunrise Water Company (“NSWC”) and Southern Sunrise Water Company (“SSWC”)(collectively “Applicants”) to acquire the assets of Miracle Valley Water Company, Cochise Water Company, Horseshoe Ranch Water Company, Crystal Water Company, Mustang Water Company, Coronado Estates Water Company and Sierra Sunset Water Company (collectively “McLain Water Systems”).

1 Decision No. 68826 provides: “after the projects for a system or systems are completed,
2 NSWC and SSWC shall file a notice of completion in this docket, which should include an Approval
3 of Construction from ADEQ for those projects requiring ADEQ approval. Staff shall have 20
4 calendar days to complete its inspection and review the filing and file any objection or its
5 concurrence with the Notice. If the Staff memo concurs that the projects are completed, the
6 moratorium would be considered lifted for that system or systems.”

7 On January 5, 2009, NSWC filed a “Notice of Compliance” for completion of certain capital
8 improvements for the NSWC – Coronado Estates and Sierra Sunset water systems.

9 On January 20, 2009, NSWC filed a “Notice of Filing” for the Arizona Department of
10 Environmental Quality (“ADEQ”) Approval of Construction (“AOC”) for the required capital
11 improvements.

12 On January 23, 2009, the Commission’s Utilities Division (“Staff”) filed a Response to the
13 “Notice of Compliance.” Staff scheduled a field inspection on January 12, 2009, and verified that
14 all of the required and/or modified improvement projects for the Coronado Estates and Sierra Sunset
15 systems have been completed and the systems were interconnected with a 2 inch water main.
16 Further, Staff reports the required AOC for the replaced storage tank and pressure tank for the
17 Coronado Estates system was filed. Having verified that the Coronado Estates and Sierra Sunset
18 system improvements have been completed, Staff recommends that the existing moratoria be lifted
19 for these two systems.

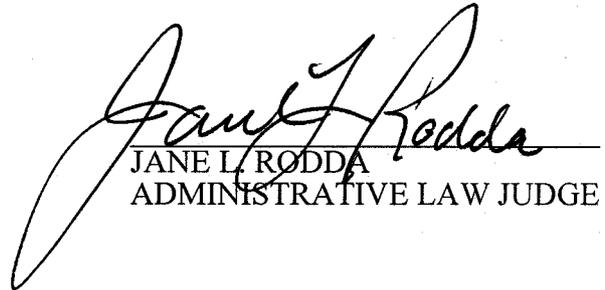

20 NSWC has complied with the requirements of Decision No. 68826 with respect to the
21 Coronado Estates and Sierra Sunset systems. Consequently, the moratoria on new connections for
22 the NSWC-Coronado Estates and Sierra Sunset systems should be deemed lifted.
